

Lyrics for Better Laboratory Management, Better Patient Results (Tanzania)

Chorus
Better laboratory management
Better patient results
Better laboratory management
Better patient results

What is SLMTA?

Strengthening Laboratory Management Towards Accreditation
It integrates the practices with WHO-AFRO SLIPTA Checklist and
ISO 15189 Standard; So to remove barriers of Quality
Management System through its designed structure.

Chorus
Better laboratory management
Better patient results
Better laboratory management
Better patient results

Tanzania has been implementing SLMTA since 2010
Teaches Laboratory Managers how to implement practical
Quality Management System in resource limited settings using
available resources, available resources.

Chorus
Better laboratory management
Better patient results
Better laboratory management
Better patient results
